

Declaration of commitment to REACH (Registration, Evaluation, Authorisation of Chemicals) CE regulation EC No. 1907/2006

With respect to the aforementioned regulatory frameworks we provide you the following declaration and would like to inform you as follows:

In response to your inquiry regarding our compliance with the REACH regulation, please be advised that when using these products, KUVAG GmbH & Co KG does adhere to the December 18th.2006 European Commission (EC) regulation 1907/2006 (REACH). The products KUVAG GmbH & Co KG purchases from its suppliers and uses in its production processes do not contain added substances of very high concern (SVHC) as referenced by the amended Candidate List of June 25, 2025 above a limit of 0.1% w/w.

We are working continuously with our suppliers to obtain the latest information and updates regarding their products. If we receive a notification that a product exceeds the allowed limits, we will update you accordingly (per article 33).

Mr. Gregor Rumpelmayr
Managing Director

Mr. Thomas Helmer
Head of Logistic Department
